

1. Special P2P Terms

P2P is a service that allows users to send money via Online Banking or Mobile Banking to others using a cell phone number or an email address through a network we select.

a. Payment Network Relationship with You.

The payment network we select is a payment service provider that helps you make payments to third parties. It is an independent contractor for all purposes, except that it acts as your agent with respect to the custody of your funds only. The payment network does not have control of, or liability for, the payment for products or services with our service. We are not responsible for the identity of any recipient to whom you have authorized a payment or ensure that a recipient will complete a transaction.

b. Eligibility for P2P Payments.

You authorize the Credit Union and The payment network, directly or through authorized third parties, to make any inquiries considered necessary to validate your identity. This may include asking you for further information, requiring you to take steps to confirm ownership of your email address or financial instruments, ordering a credit report and verifying your Information against third party databases or through other sources. The Credit Union will, at its sole discretion, authorize the use of P2P and may at its sole discretion disallow the use of P2P payments from any Credit Union member.

c. Making Transfers.

1) Transfers. When an Online Banking P2P Payment is made, the funds are immediately transferred from your account for Transfer and are credited to the payment network to provide funds to the recipient. You agree that such requests constitute your authorization to us and the payment network to make the Transfers. Once you have provided your authorization for the Transfer, you may not be able cancel the electronic Transfer.

2) Refused and Refunded Transactions. When you send money, the recipient is not required to accept it. You agree that you will not hold the payment network or the Credit Union liable for any damages resulting from a recipient's decision not to accept a payment made through the service. If a payment is unclaimed, denied or refunded for any reason, we will return the money to your Account within 30 Days of the date you initiate payment. If a recipient does not have an account with the payment network, and does not set one up within 30 days of your transaction date, you can request that the funds are returned to you before the 30 day period by using the return function in the online banking P2P screen.
